Chartered Certified Accountants  
Statutory Auditors & Business Advisors

Steve Walsgrove is celebrating after achieving success in his recent ACCA examinations. He can now proudly use the letters, ACCA, after his name as a qualified member of the Association of Chartered Certified Accountants.

Steve joined Leigh Christou as an Apprentice straight from school in 2007 and started his AAT studies with CWT. Throughout his studies, CWT Chamber Training have worked hand-in-hand with both Steve and Leigh Christou to ensure that Apprenticeship training gave value to both Steve and the practice. With an AAT qualification under his belt he then began his ACCA studies in 2010.

Chris Christou, Senior Director, said:

*"We are justifiably proud of Steve's achievements and we put a lot of our own business success down to the strength of our team which has largely been achieved by developing home grown, talented people who share the desire to deliver a quality service to the highest standards"*

Steve has successfully worked through the ranks at Leigh Christou joining as an Accounts Trainee in July 2007 and progressing through to Accounts Assistant and then to his current role as Client Services Manager.

This is now the start of the next phase of Steve's career with Leigh Christou and long may it continue.

Well done Steve!
