

Double Celebration for Coventry Accountants

Leading independent Coventry accountancy practice Leigh Christou LLP is celebrating 30 years in business with the renewal of the prestigious Quality Checked Kitemark awarded by the Association of Chartered Certified Accountants (ACCA), the body which regulates and monitors practising accountants.

Leigh Christou were the very first firm of accountants in the UK to originally receive this prestigious award following its launch back in 2000. In order to achieve the Quality Checked Seal award, the firm had to demonstrate the highest level of standards in all aspects of its practice, as part of a stringent monitoring process by the ACCA. The standards are set extremely high and to successfully achieve a

renewal of this for a third term is a major coup for Leigh, Christou LLP, reflecting well on the calibre of the partners, staff and the levels of service offered to its clients.

Chris Christou Senior Partner said

“We are justifiably proud of this achievement, particularly coming in our 30th anniversary year. It is a great credit to all of our team and testimony to the ethos and culture of the firm.”
