## **Heart of England Conference and Events Centre appear on Channel 5's The Hotel Inspector**

We were honoured to be invited by our client, Stephen Hammon of The Heart Of England Conference and Events Centre, to attend the screening of their appearance on Alex Polizzi's The Hotel Inspector last night, Thursday 11<sup>th</sup> September 2025.

Heart House is a 16<sup>th</sup> century modern bed and breakfast on the grounds of the Heart of England Conference and Events Centre, offering 10 modern bedrooms with luxurious soft furnishings, large screen TVs, and tea/coffee facilities. It is part of a larger complex that also includes charming glamping pods, shepherd huts (some with hot tubs), a log cabin, a restaurant and a conference centre, providing a comprehensive venue for a variety of events.

Alex Polizzi visited owner Stephen Hammon, to give advice and provide ideas to enable Heart House to become a successful venue, offering guests the choice of well-appointed accommodation, along with a range of team building activities within 160 acres of Warwickshire countryside.
