
Information Commissioner's Office (ICO) Additional Update

Further to our previous bulletin regarding renewal with the Information Commissioner's Office (ICO), please note that we are not experts in Data Protection, but are merely drawing your attention to the ICO's initiative and in an effort to assist you and your company in avoiding penalties, our advice is to visit the ICO's website and follow the onscreen instructions to determine whether your company needs to register.

The self-assessment questionnaire will take a few minutes to complete and they will be able to confirm whether your business or organisation are required to sign up.

Please do not hesitate to contact us should you have any queries
