

## Leigh Christou Ltd announces new office to open in Leamington Spa

Coventry and Warwickshire Certified Accountants Leigh Christou has announced it will be opening a new office in the centre of Leamington Spa in the next few weeks.

The new offices will be located within a beautiful Regency building located in central Leamington Spa, at 12 Euston Place, a short distance from The Parade and adjacent to Jephson Gardens. The substantial four storey premises are undergoing major refurbishment in order to restore the building back to its original Regency splendour and at the same time provide modern, state of the art facilities for clients and staff to enjoy.

Chris Christou, Managing Director said: *“The acquisition of such a prestigious building in such an enviable position represents a significant expansion for the Practice and will allow the firm to meet increasing demand for our services from existing and prospective clients based within South Coventry, Warwickshire and surrounding areas”.*

The firm already has established offices in Binley Road, Coventry and the success of the business is measured by its continued growth largely through the personal recommendation of many of its existing clients and business contacts.

Matt Keeling, Director said: *“We pride ourselves on being a progressive local independent firm who aim to provide our clients with a quality service on a value for money basis. We strive to be pro-active and personal ensuring the best possible advice and outcomes for our clients. We have a strong team in Coventry and intend to recruit like-minded, enthusiastic accountants for the venture in Leamington”.*

*Regency building acquired at Euston House, 12 Euston Place*
