## Trading within the EU Planning for BREXIT

---

HM Revenue & Customs are urging VAT registered businesses who trade within the EU to be prepared for a no deal Brexit. You should have received a letter from HMRC explaining the changes that will come into place if the UK does leave the EU without a deal.

We would strongly advise that you register for a *UK Economic Operative Registration and Identification (EORI)* number immediately if you do not already have one to ensure that EU trading is not disrupted after Brexit (29 March 2019). To register for an EORI number please visit [www.gov.uk/eori](http://www.gov.uk/eori) and follow the appropriate link. We would also suggest that you contact the company who is responsible for moving your goods to see if there is any further information they will require from you.

If you require any further clarification or assistance with the process of registration, please do not hesitate to contact us.
