
Working From Home Allowance Bulletin

If you are working from home you are entitled to claim a working from home allowance. The allowance is £6 per week (£4 per week prior to 6th April 2020). Your employer can give you £6 per week tax free in your wages or you can claim £6 per week tax back from HM Revenue & Customs using a form P87. If you complete a Self-Assessment Tax Return the claim for working from home can be made on your Tax Return.

Any claim can be backdated for 4 years if you have been required to work from home during that period. If you claim using a form P87 you may receive a change to your tax code going forward to receive the tax relief.
